

**Office of the Chairperson
Committee for Fixation & Regulation of Fee of Private
Schools, J&K (FFRC)**

Order No: 459-FFRC (FF) of 2021

Dated: 20-08-2021

Sub: Fixation and Regulation of fee of New Caset High School, Rawalpora, Srinagar.

New Caset High School, Rawalpora, Srinagar submitted file for fixation and regulation of fee structure of the School, which has been registered in FFRC office under No. FFRC/FF/2021/Sgr/536.

The fee structure of the School is being regulated by the Committee for the first time by this order.

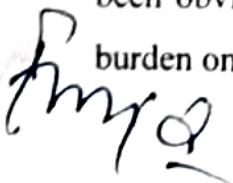

School record shows that School Management has maintained same Annual Fee from academic session 2017-18 till current session, but has not collected it from students for academic session 2019-20 and 2020-21 in view of Government/ FFRC orders.

The Audit Report ended 31.03.2018 shows that an amount of Rs.73,220/- has been spent on Repairs of School Building.

Similarly, Audit Report ended 31.03.2019 shows that an amount of Rs.44,162/- has been spent on Repairs of School Building etc. Likewise, Audit Report ended 31.03.2020 shows that an amount of Rs.33,510/- has been spent on Repairs of School Building etc.

The lease deed executed on 26.02.1997 at Para '7' states that necessary repairs when required shall be done by the landlord.

The amount shown above, which has been spent on school building repairs, has been obviously spent from School Funds collected from students. This has added a burden on the students.

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgements and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, income-expenses, income and expenditure of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the **fee structure** of the School as under:

The aforesaid exercise has been undertaken and fee structure regulated in a manner that excluded the commercialization and profiteering of education completely.

Charging and collecting of Admission Fee is prohibited by statutes. The school management is prohibited from charging and collecting Admission Fee from the students.

The School Management shall maintain an account of School Funds (Fee etc.) in a Schedule Bank, which shall be operated by a person(s) authorized by School Management. Record about all the expenses/expenditures shall be maintained with receipts.

The School management is directed not to charge any other fee from the students other than the fee approved by the Committee.

The School management is further directed not to make any future enhancement in fee structure under any head without permission of the Committee.

Realization of Annual Fee from the students shall be subject to providing the facilities to students and actual expenditure of the school on relevant overheads.

The School management shall display this approved fee structure on School notice board, upload it on School website and publish the same in local daily newspapers.

Non-compliance will attract penal action under law.
