

**Office of the Chairperson
Committee for Fixation & Regulation of Fee of Private
Schools, J&K (FFRC)**

Order No: 501 -FFRC (FF) of 2021
Dated: 27 -08-2021

Sub: Fixation and Regulation of fee of New Model Academy, Shah, Vijaypur, Sarna, Samba.

New Model Academy, Shah, Vijaypur, Sarna, Samba submitted file for fixation and regulation of fee structure of the School, which has been registered in FFRC office under No. **FFRC/FF/2021/Samba/62**.

The **fee structure** of the School is being regulated by the Committee for the first time by this order.

While examining the School record, it was noticed that in Annual Fee, 'Promotion Charges' is shown as a component thereof. Notice was issued to School Management to clarify the position. Orders dated 20.07.2021 and 09.08.2021 are taken note of:

20.07.2021 School record shows that School Management has been charging Admission Fee and 'Promotion Charges' as components of Annual Fee. Charging and collection of Admission Fee is barred by statute.

The School Management to clarify and explain within ten days what the 'Promotion Charges' stand for. 'Promotion Charge' is something novel which is not component of Annual Fee. In case clarification sought for is not given within stipulated time, the 'Promotion Charges' will be excluded and orders about fee regulation passed.

09.08.2021 The School response is incomplete and inadequate. 'Promotion Charges' have to be explained. For what purpose 'Promotion Charges' are levied and what purpose it serves.

In the interest of justice last opportunity of one week is given to Principal/Chairperson to provide the requisite information. It is made clear

that in case information sought for is not provided within stipulated time, 'Promotion Charges' will be excluded from Annual Fee and fee structure regulated."

Explanation/Clarification as sought for above is not provided by School Management.

Child/Student by his hard-work gets promoted from one class to another class.

Charging of money as 'Promotion Charges' would mean that a child is getting promoted to higher class not on his merit, but by paying money. Educational Institutions do not promote children on money, but on merit. 'Promotion Charges' are anti-thesis to concept of Education and Educational Institutions. 'Promotion Charges' are greek to Education.

In view of above, the 'Promotion Charges' stand deleted from Annual Fee.

Record also shows that School Management has not received Tuition Fee and Annual Fee during academic session 2020-21.

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgements and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, income-expenses, income and expenditure of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the **fee structure** of the School as under:
