It prima facie appears that irregularities have been committed. Principal and Chairperson of School to explain the position within two (02) months.

The School Management shall maintain an account of School Funds (Fee etc.) in a Schedule Bank, which shall be operated by a person(s) authorized by Management. Record about all the expenses/expenditures shall be maintained with receipts. The School has surplus amount in its coffers.

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgements and fixed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, income-expenses, income and expenditure of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the **fee structure** of the School as under:
