The tuition fee of the school has been regulated by the Committee vide order No. FFC/Jmu-19/296-300 dt.07.03.2019 for academic session 2018-19.

The annual fee of the school is being regulated by the Committee for the first time by this order.

An educational institution, as stated repeatedly is not a business unit, nor a commercial activity.

The records show that huge amounts are shown to have been spent on items which are not directly connected with student's welfare. And if, some activities are related to it, even then such huge amounts could not be spend thereon.

Despite making these extravagant expenses, school has surplus in its reservoirs, which speaks about economic health of institution.

The record produced and the justification given by the School management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the school, material produced by the School management, income-expenses, income and expenditure, of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the fee structure of the School as under:
