

**Office of the Hon'ble Chairperson  
Committee for Fixation & Regulation of Fee of Private Schools,  
J&K (FFRC)**

Order No: 526 -FFRC (FF) of 2021  
Dated: 13 -09-2021

**Sub: Fixation and Regulation of Fee of Fayaz Educational Institute Faiz Abad Nowgam, Srinagar.**

Fayaz Educational Institute Faiz Abad Nowgam, Srinagar submitted file for fixation and regulation of fee structure of the school, which has been registered in FFRC office under No. **FFRC/FF/2021/Sgr/553**.

School record shows that vide order No.452 FFC of 2018 dt. 24.04.2018, the Committee regulated tuition fee of school for academic **session 2017-18** which is taken note of:

Class	Nur.	LKG	UKG	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4th	5th
Tuition Fee	750	750	750	750	750	750	750	750
Class	6th	7th	8th	9th	10th	11th	12th	X
Tuition Fee	810	810	810	875	940	1 190	1310	X

The order provided that school shall not charge any other kind of fee under any head except the tuition fee regulated by the order. Order also provided that in case school proposed to seek enhancement of other types of fees as it existed in August'2014, then school shall take prior permission from Committee.

Record shows that school has enhanced all types of fees in violation of all the FFC orders. The school management to show cause within two months why action in accordance with law is not taken against it.

In view of violation of orders of Committee and to ensure that there is no commercialization of education, the tuition fee of the school will remain same for academic session 2021-22 also, as it stood in academic session 2019-20 and

2020-21 The annual fee of the school will also remain static for the academic sessions viz 2020-21, 2021-22 and 2022-23.

One of the reasons provided by School Management for seeking hike in Fee Structure is payment of Annual Increment/Annual Hike in Pay Scale of Employees (both teaching and non-teaching).

Furthermore, School Management has sought hike in Fee Structure for future development of School.

The School Management shall open an account in a Schedule Bank separately for development funds, which may be up to 15%. The School Management shall maintain separate record in respect of development fund.

The children who are already studying in the School have made huge financial contribution by paying one time Admission Fee and Annual Fee for years together, which has resulted in development of infrastructure. These students cannot be further burdened by asking them to pay same Annual Fee, which will be fixed in respect of those students who seek admission in the School for the first time, otherwise, called fresh entrants.

These fresh entrants get the advantage of development of educational facilities and infrastructural facilities, for which students who are already studying in the School have made, as already stated, huge financial contribution.

In this back-drop, the fresh entrants shall have to be saddled with responsibility of paying different Annual Fee for the first year of their admission in the School and in subsequent years they will pay same Annual Fee which is being fixed and regulated in respect of students who are already studying in the School.

The fresh entrants have to be saddled with responsibility of paying different annual fee for the first year of their admission in the school and in subsequent years they will pay same annual fee which is being fixed and regulated in respect of students who are already studying in the school

**The Annual Fee for the New Students viz; fresh entrants for academic session 2021-22, after considering all relevant factors, Hon'ble the Supreme Court guidelines, statutory prescriptions and other relevant aspects governing the subject, is fixed @ Rs.6,000/-. For academic session**

2022-23, the Annual Fee for New Admissions viz; fresh entrants is also fixed @ Rs.6,000/-.

The record produced and the justification given by the School management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the school, material produced by the school management, income-expenses, income and expenditure, of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the fee structure of the School as under:
