Order No: 542 -FFRC (FF) of 2021  
Dated: 06 -10-2021

**Sub: Fixation and Regulation of fee of Woodlands House School, Gupkar Road, Srinagar.**

Woodlands House School, Gupkar Road, Srinagar submitted file for fixation and regulation of fee structure of the School, which has been registered in FFRC office under No. **FFRC/FF/2021/Sgr/511**.

The record shows that School is being run as Proprietorship concern. Record also shows that the surplus amount/net profit is being transferred to proprietors' capital accounts.

Last time when Principal/Proprietor appeared before the Chairperson, FFRC, he was informed that all school funds are to be kept in school account and spend for the welfare of the students. Assurance was given that besides providing other documents steps will be taken for changing status of the School from Proprietorship/Ownership to a Trust.

Though some documents have been submitted but no document/information is provided about the status of the School.

In the identical circumstances, orders in respect of some schools were passed and United Public Higher Secondary School, 52, Sec - 2, Channi, Himmat, Purmundal, Jammu is one such school.

The record of School under discussion also reflects the same situation which had arisen in United Public Higher Secondary School, 52, Sec - 2, Channi, Himmat, Purmundal, Jammu. The facts of the two schools are almost similar.

The facts of this case are governed by order No.415 – FFRC (FF) of 2021 dated 11.08.2021. The relevant part of the aforesaid order is taken note of:

“Hon’ble the Supreme Court has consistently stated that Education is not business, but a work of charity. The Educational Institutions are to be run on no profit no loss basis, of course with scope for maintaining of surplus of 10% to 15%, which amount is to be spend on welfare and providing good education to children.

From the times immemorial, education has been treated as a noble cause. Imparting education has never been commerce.

Both, in fact and in law, setting-up of school for imparting education is charitable work and people who set-up educational institution hold the same as trustees for the benefit of public at large.

The matter is referred to Principal Secretary to Government School Education Department, for passing of appropriate orders in accordance with law, in respect of the School.

The School Management and Partners are required to dissolve the partnership deed and constitute a trust, for running the School.

The Partners of the firm are restrained from receiving any monetary benefits from the School Funds, till further orders.

The Principal of School shall open an account in a Schedule Bank in the name of School which shall be operated upon by Principal, one Partner and a representative of School Parents’ Association.

Until further orders, the Partners/ School Management shall not make hike in Fee Structure.

The salary of teaching and non-teaching staff shall be paid by Principal, and documents witnessing same shall be signed by one Partner and representative of School Parents’ Association.

The parents shall deposit fee which is being paid at present in the account to be opened and operated as directed hereinabove. This part of order, however, shall not be construed that Fee Structure of School is regulated. Separate orders will be passed about same.

**Principal and Partners to submit compliance report within two (02) weeks.**

The education of students shall continue unhampered and all steps shall be taken by School Management to provide quality education to students.”

The aforesaid order/directions shall apply in all fours to this case also. These directions shall be complied with and compliance report submitted within week's time.
