- a) Advertisement & Marketing-Rs.306085/-.
- b) Administrative & Management Meeting-Rs.415845/-.
- c) Repayment of Bank Loan-Rs.3053878/-

These expenditures show that school is being run as a business unit. The school management shall not make huge extravagant expenses which have no relevance with education.

Bank loans are not to be liquidated by students. In the event bank loan/financial assistance are paid from out of student fee, then property would belong to students or vest in school trust.

The record produced and the justification given by the School management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the school, material produced by the School management, income-expenses, income and expenditure, of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the fee structure of the School as under:
