

**Office of the Chairperson  
Committee for Fixation & Regulation of Fee of Private  
Schools, J&K (FFRC)**

Order No: 553 -FFRC (FF) of 2021  
Dated: 07/X /2021

**Sub: Fixation and Regulation of fee of Baramulla Public School, Baramulla.**

**Baramulla Public School, Baramulla** submitted file for fixation and regulation of fee structure of the School, which has been registered in FFRC office under No. **FFRC/FF/2021/Bla/489**.

The Committee vide Order No.263-FFC of 2018 dated 21.02.2018, has fixed the Tuition Fee of the School for the session 2017-18.

Record shows that School Management has spent an amount of Rs.1,27,225/- on Advertisements in Financial Year 2016-17. Similarly, an amount of Rs.75,950/- has been spent on the Advertisements as is reflected in the Receipts and Payments account from 01.04.2019 to 31.03.2020.

These huge amounts cannot be spent on Advertisements in respect of educational institution. School Management shall desist from spending these amounts.

Three (03) Members of the Management Committee of the School met the Chairperson, FFRC on 16.09.2021. During the said meeting, the Members of the Management of the School stated that the Tuition Fee reflected in the documents produced by them alongwith the main file on 29<sup>th</sup> of July' 2021 for academic session 2020-21, is wrongly mentioned. The Tuition Fee in the record already submitted by the School Management shows that an amount of Rs.900/- is being charged as Tuition Fee for LKG Class and an amount of Rs.600/- is being charged as Annual Fee per month, the total of which is Rs.1,500/- per month. However, during the deliberations, one of the Members of the Management Committee stated that an amount of

Rs.1,300/- is being charged and collected from the students of LKG with Tuition Fee @ Rs.850/- and Monthly Annual Fee @ Rs.450/-. Similar is the position in respect of all other classes.

The three (03) Members of the Management Committee, accordingly sought time to submit fresh details about the Tuition Fee. These details have been submitted vide communication No.BPS/ADM/2020-21/0960 dated 22.09.2021. The Tuition Fee and Monthly Annual Fee as is reflected in the record submitted earlier, is at great variance with the record submitted now. There is huge difference between the fee structure submitted earlier and produced now.

It needs to be seen whether it was a deliberate attempt on part of the School Management to project wrong figures before the Committee for securing illegal financial benefits or was it due to casual approach of the School Management.

The Principal and Chairperson of the School to show cause as to why action in accordance with law may not be initiated against them for providing incorrect figures in respect of Tuition Fee and Monthly Annual Fee within two (02) months.

**The Annual Fee has to be charged once in a year. However, for the convenience of the students/parents, the School Managements are at liberty to charge and collect the Annual Fee monthly, quarterly or bi-annually as well. The payment of Annual Fee in such modes will, however, depend on the discretion of the students/parents.**

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgements and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, income-expenses, income and expenditure of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the **fee structure** of the School as under:
