Order No: 561 -FFRC (FF) of 2021

Dated: 07/ X /2021

**Sub: Fixation and Regulation of Fee of Muslim Educational Institute
Trust (MEIT) Pampore, Pulwama.**

*In order to further clarify the position it is deemed necessary to

The report has been submitted by Administrative Officer Committee for
Fixation & Regulation of Fee of Private Schools, J&K (FFRC).

In the Income & Expenditure account for the period from **01.04.2019 to
31.03.2020** under the head expenditure an amount of **Rs.3,05,55,896/-** is shown to

have been expended on salary and an amount of **Rs.2,73,15,570/-** has been shown to have been income on account of tuition fee. The school has accordingly recorded deficit of **Rs.50,36,079/-**.

In the receipt & payment of **31.03.2020** an amount of **Rs.2,32,92,728/-** has been paid on account of salary and an amount of **Rs.2,73,15,570.01/-** has been shown to have been received on account of tuition fee.

The accounts of Non-Business Organization like schools have not to be maintained as is being done in Business Organization.

Revenue is recognized when actually received rather than when earned. expenses are recognized when actually payments are made rather than when they are incurred.

The actual payments on account of salary in this case is less than the what is shown in expenditure statement, which is hypothetical term, and that is why the school management has projected huge deficit, when as a matter of fact there is no such deficit.

In the winter zone schools the academic session and financial year do not correspond to each other that is how in some school cases the audit report creates a smoke screen, which has to be pierced to come to the correct conclusion.

The record shows that school management has violated order No.01 FFC of 2019 dt. 28.01.2019. The Principal and Chairperson of school to show cause within two months why action accordance in law is not taken against them.

The children who are already studying in the School have made huge financial contribution by paying one time Admission Fee and Annual Fee for years together, which has resulted in development of school infrastructure. These students cannot be further burdened by asking them to pay same Annual Fee, which will be fixed in respect of those students who seek admission in the School for the first time, otherwise, called fresh entrants.

These fresh entrants get the advantage of development of educational and infrastructural facilities, for which students who are already studying in the School have made, as already stated, huge financial contribution.

In this back-drop, the fresh entrants shall have to be saddled with responsibility of paying different Annual Fee for the first year of their admission in

the School and in subsequent years they will pay same Annual Fee which is being fixed and regulated in respect of students who are already studying in the School.

The Annual Fee for the New Students viz; fresh entrants for academic session 2021-22, after considering all relevant factors, Hon'ble the Supreme Court guidelines, statutory prescriptions and other relevant aspects governing the subject, is fixed @ Rs.5,000/-. For academic session 2022-23, the Annual Fee for New Admissions viz; fresh entrants is fixed @ Rs.6,000/-.

The record produced and the justification given by the School management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the school, material produced by the School management, income-expenses, income and expenditure, of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the fee structure of the School as under:
