**Office of the Chairperson
Committee for Fixation & Regulation of Fee of Private
Schools, J&K (FFRC)**

Order No: 619 -FFRC (FF) of 2021
Dated: 01 - 11 -2021

Sub: Fixation and Regulation of fee of R. P. School, Gratbal, Nagbal, Ganderbal.

R. P. School, Gratbal, Nagbal, Ganderbal submitted file for fixation and regulation of fee structure of the School, which has been registered in FFRC office under No. **FFRC/FF/2021/Gbl/521**.

The **fee structure** of the School is being regulated by the Committee for the first time by this order.

The Audit Report ended 31.03.2019 shows that an amount of **Rs.19,55,033/-** has been shown to have been expended as Transport Expenses, whereas, an amount of **Rs.13,62,309/-** has been shown to have been spent for Vehicle Running. Similarly, an amount of **Rs.1,49,400/-** has been shown to be spent on Newspaper and Advertisement.

On the one hand, huge amount has been shown to spent on Transport Expenses and equally huge amount for Vehicle Running. Prima facie, records appears to be manipulated. Similarly, no amount can be spent on Advertisements.

On record have come two contradictory reports about Fee Structure. The School Management has tendered an explanation that in order to overcome deficit, new proposal for Fee Structure was submitted.

Record also shows that School Management has not collected Annual Fee for academic session 2020-21.

The School Management shall not change the nomenclature of Pre-Primary Classes.

Computer Fee being component of Annual Fee, is accordingly merged in it and shall not be charged separately.

The children who are already studying in the School have made huge financial contribution by paying one time Admission Fee and Annual Fee for years together, which has resulted in development of infrastructure. These students cannot be further burdened by asking them to pay same Annual Fee, which will be fixed in respect of those students who seek admission in the School for the first time, otherwise, called fresh entrants.

These fresh entrants get the advantage of development of educational facilities and infrastructural facilities, for which students who are already studying in the School have made, as already stated, huge financial contribution.

In this back-drop, the fresh entrants shall have to be saddled with responsibility of paying different Annual Fee for the first year of their admission in the School and in subsequent years they will pay same Annual Fee which is being fixed and regulated in respect of students who are already studying in the School.

The Annual Fee for the New Students viz; fresh entrants for academic sessions 2021-22, 2022-23 & 2023-24, after considering all relevant factors, Hon'ble the Supreme Court guidelines, statutory prescriptions and other

relevant aspects governing the subject, is fixed @ Rs.5,000/-. This shall have reference to new students admitted at Nursery level. Thereafter, in next academic session the Annual Fee for such students also, will be charged in terms of the fee structure regulated by this order.

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgements and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, income-expenses, income and expenditure of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the **fee structure** of the School as under:
