Dated: 01 - 11 -2021**

Sub: Fixation and Regulation of Fee of Oasis Educational Institute Gogji Bagh, Srinagar.

Oasis Educational Institute Gogji Bagh, Srinagar submitted file for fixation and regulation of fee structure of the school, which has been registered in FFRC office under No.FFRC/FF/2021/Sgr/828.

The fee structure of the school is being regulated by the Committee for the first time by this order.

Record shows that rent deed has been executed on 26.08.2021 amongst the family members, who are owners of property and the tenant is father of the owners (ii) to (v) and husband of party (i). The rent deed shows that land lords have rented out building to Chairman of the school for a period of 5 years w.e.f. 01.04.2020 at a monthly rent of Rs.3,00,000/-.

Record also shows that a trust deed has been executed by persons who are reflected in rent deed, on 28.09.2021.

The income/expenditure statements ending 31.03.2020 shows that an amount of Rs.30,00,000/- has been expended on account of rent. It covers period of 01.04.2019 to 31.03.2020, whereas rent deed shows that building has been rented out for 5 years w.e.f. 01.04.2020.

The owners except (i) of building, as already stated, are children of Chairman of school and owner (i) is his wife. The rent deed and the audited report of the financial year 01.04.2019 to 31.03.2020 project contradictory statements. The audit report ended 01.04.20219 shows that no rent has been charged or paid for this period. The amount of Rs.30,00,000/- has to be thus part of school fund.

Record also shows that each year huge amounts are being spent on repair and maintenance of building likewise huge amounts are being spent on advertisement. Similarly unbelievable amounts are said to have been expended on conveyance and traveling.

Furthermore surplus amount appears to be not transferred to school fund. Surplus amount has to be transferred to school fund.

The record produced and the justification given by the School management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the school, material produced by the School management, income-expenses, income and expenditure, of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the fee structure of the School as under:
