Order No: 631 -FFRC (FF) of 2021

Dated: 01 - 11 - 2021

Sub: Fixation and Regulation of Fee of Delhi Public School Delina, Baramulla.

Delhi Public School Delina, Baramulla submitted file for fixation and regulation of fee structure of the school, which has been registered in FFRC office under No.FFRC/FF/2021/Bla/731.

The tuition fee of the school has been regulated by the Committee vide Order No.267 FFC of 2018 dt.21.02.2018 for academic session 2017-18.

The annual fee of the school is being regulated by the Committee for the first time by this order.

The school management has included some items in annual fee which are not components of annual fee viz item 1, 2, and 7. Besides this picnic/tours/excursions being optimal, cannot be an element of annual fee.

The children who are already studying in the School have made huge financial contribution by paying one time Admission Fee and Annual Fee for years together, which has resulted in development of infrastructure. These students cannot be further burdened by asking them to pay same Annual Fee, which will be fixed in respect of those students who seek admission in the School for the first time, otherwise, called fresh entrants.

These fresh entrants get the advantage of development of educational facilities and infrastructural facilities, for which students who are already studying in the School have made, as already stated, huge financial contribution.

In this back-drop, the fresh entrants shall have to be saddled with responsibility of paying different Annual Fee for the first year of their admission in the School and in subsequent years they will pay same Annual Fee which is being fixed and regulated in respect of students who are already studying in the School.

The Annual Fee for the New Students viz; fresh entrants for academic session 2022-23 and 2023-24, after considering all relevant factors, Hon'ble the Supreme Court guidelines, statutory prescriptions and other relevant aspects

governing the subject, is fixed @ Rs.7,000/-. This shall have reference to new students admitted at Nursery level. Thereafter, in next academic session the Annual Fee for such students also, will be charged in terms of the fee structure regulated by this order.

The record produced and the justification given by the School management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the school, material produced by the School management, income-expenses, income and expenditure, of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the fee structure of the School as under:
