The fee structure of the school is being regulated by the Committee for the first time by this order.

Education is not commerce, but charity. When an institution, more particularly, an educational institution, is set-up, it affects a large section of society and assumes the character of public trust.

The School Management to take immediate steps for putting the School on legal track and submit compliance report within one (01) month.

The above course has been adopted in other schools of almost like fee structure.

Electricity charges being current expenses are not component of annual fee but of tuition fee. This component is accordingly deleted from annual fee.

The record produced and the justification given by the School management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee

structure of the school, material produced by the School management, income-expenses, income and expenditure, of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the fee structure of the School as under:
