

**Office of the Hon'ble Chairperson
Committee for Fixation & Regulation of Fee of Private Schools,
J&K (FFRC)**

Order No: 92 -FFRC (FF) of 2022

Dated: 04 / 02 / 2022

Sub: Fixation and Regulation of fee of New Era Mother High School 110/11 Nanak Nagarm, Jammu.

New Era Mother High School 110/11 Nanak Nagarm, Jammu submitted file for fixation and regulation of fee structure of the School, which has been registered in FFRC office under No. FFRC/FF/2021/Jmu/458.

The fee structure of the School is being regulated by the Committee for the first time by this order.

Record shows that school management is spending huge amounts on advertisements. School management shall avoid such expenditures as they put unnecessary burden on students/parents.

Besides providing tuition fee details the Principal has also provided, information about annual fee and has claimed that Rs.2500/- are being charged to students of all classes.

The audit report for year 2017-18, 2018-19 and 2019-20, however, reflect receipt/income of only tuition fee and not of annual fee.

The student roll and tuition fee, when taken into consideration correlate to income of tuition fee. Thus it is prima facie clear from record that school management has not been charging and collecting annual fee.

All the expenses are being met from tuition fee alone. The school management has also maintained sufficient amount of surplus.

The annual fee is not accordingly allowed. However, school management if in future requires charging of annual fee, then it shall make proposal for same and get it regulated by FFRC.

School record also shows that school is being run as a Proprietorship concern.

Education is not commerce, but charity. When an institution, more particularly, an educational institution, is set-up, it affects a large section of society and assumes the character of Public Trust.

The school management to take immediate steps for putting the school on legal track and submit compliance report within one (01) month.

The above course has been adopted in other schools of almost like fee structure.

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, income-expenses, income and expenditure of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the **fee structure** of the School as under:
