Committee for Fixation & Regulation of Fee of Private Schools,
J&K (FFRC)**

Order No: 349 -FFRC (FF) of 2022

Dated: 24 / 03 /2022

Sub: Fixation and Regulation of fee of Tiny Aspirants Public Higher Secondary School Jourian, Jammu.

Tiny Aspirants Public Higher Secondary School Jourian, Jammu submitted file for fixation and regulation of fee structure of the School, which has been registered in FFRC office under No. FFRC/FF/2021/Jmu/69.

The fee structure of the School is being regulated by the Committee for the first time by this order.

Fresh Audit Report submitted by school management shows that net profit is being transferred every year to capital account of proprietor.

Record shows that school management has maintained same Fee Structure from academic session 2014-15 to academic session 2021-22.

Record also shows that school management has received fees from out of which sufficient amount has been transferred to proprietors capital account, which shows that school is heading towards commercialization of education.

Record also shows that under Annual Fee head an unreasonable amount is being charged and collected under sub-head "School Improvement Fund".

School record also shows that School is being run as a Proprietorship concern.

Education is not commerce, but charity. When an institution, more particularly, an educational institution, is set-up, it affects a large section of society and assumes the character of Public Trust.

The School Management to take immediate steps for putting the School on legal track and submit compliance report within one (01) month.

The above course has been adopted in other schools of almost like fee structure.

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, income-expenses, income and expenditure of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the **fee structure** of the School as under:
