

**Office of the Hon'ble Chairperson  
Committee for Fixation & Regulation of Fee of Private Schools,  
J&K (FFRC)**

Order No: 705-A -FFRC (FF) of 2022

Dated: 28 / 02 / 2022

**Sub: Fixation and Regulation of fee of Ain-UI-Illum Institute of Morality and Science (AIIMS) Handwara, Kupwara.**

Ain-UI-Illum Institute of Morality and Science (AIIMS) Handwara, Kupwara submitted file for fixation and regulation of fee structure of the School, which has been registered in FFRC office under No. FFRC/FF/2021/Kup/807.

The fee structure of the School is being regulated by the Committee for the first time by this order.

Receipt and Payment account for the Period from 01.04.2018 to 31.03.2019 shows that school management has made payments of Rs.508000/- as charity and donation.

Charity and donations cannot be given from out of school funds without the permission of students/parents. The school management holds school property and its funds in trust, to be spent for providing quality education to students, as also for their overall welfare. No divine or manmade law permits to use the property (money) which is held in trust, as per ones own wish.

School record also shows that school is being run as a Proprietorship concern.

Education is not commerce, but charity. When an institution, more particularly, an educational institution, is set-up, it affects a large section of society and assumes the character of Public Trust.

The school management to take immediate steps for putting the school on legal track and submit compliance report within one (02) months.

The above course has been adopted in other schools of almost like fee structure.

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by statute. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, income-expenses, income and expenditure of the School and after considering all other relevant factors which govern the subject, the Committee finds it just and proper to regulate the **fee structure** of the School as under:
