Dated: 10-06-2023

**Sub: Fixation and Regulation of fee of KC Gurukul Public School Ploura
Jammu.**

KC Gurukul Public School Ploura Jammu. Submitted its file registered under No.Edu/ FFRC/FF/2019-21/Jmu/134 in this office for fixation and regulation of fee structure of the School.

Earlier the fee structure of the school was regulated vide order No.12 –FFC of 2019 dated 10-05-2019 in terms of order No. 106 FFC of 2017 dated 20-10-2017. This was in view of that the school had not approached the Committee for regulation of fee structure.

The school management was not satisfied with the order and approached the then chairman FFC for reconsideration of the order by submitting supportive documents to justify their claim of reconsideration.

The case remained pending and in 2020. The school management again approached the Committee for reconsideration of the earlier order with fresh documents and justification.

The committee passed order No.52-FFRC (FF) dated 07-04-2021 regulating the fee structure of the school for session(s) 2021-22, 2022-23 and 2023-24.

The School again filed review against order No. 52 FFRC (FF) of 2021 stating that the order has been issued without any change in fee structure, based on previous order No. 12 FFC of 2019.

The School submits;-

That injustice has been done to the school by reducing school fee @ 670/student. By the implementation of said order the school would face financial crisis as its receipts would reduce by Rs.48.20 lakhs per annum.in this scenario school would incur loss of Rs.13 lakh per annum.

that the Committee has also overlooked an important financial issue of repaying the loan liabilities of the school to the tune of Rs.1.60 crores as reflected in the balance sheet.

that, the school has no reserve fund required to be maintained as per CBSE bylaws to run the school for three months in case of any exigency.

That the school has to return the unsecure loan to the tune of 1 cr,the school is unable to complete the no.of projects like Auditorium, Multipurpose Hall, Junior Computer lab and up gradation of swimming pool due to financial crunch.”

On examination of the record submitted by the school following observations have been made;
