Committee for Fixation & Regulation of Fee of Private
Schools, J&K (FFRC)**

Order No: 05 -FFRC (FF) of 2023
Dated: 10 -06-2023

**Sub: Fixation and Regulation of fee of National Public School Nagri-Parole
Kathua**

National Public School Nagri-Parole Kathua Submitted its file registered under No. FFRC/FF/2022/Kat/98 in this office for fixation and regulation of fee structure of the School. The fee of the school is being regulated for the first time by the Committee.

The record submitted by the school was examined and following observations were made;

- The school has made enhancement of Rs 50- 100 in tuition fee of 2021-22 for the session 2022-23 and is charging fee in the range of 450 to 900.
- The school has proposed Tuition in the range of 500 to 1100.
- The school has made exorbitant ant hike in annual fee of 2019-20 in the range of 17% to 23% in different classes.

Financial position of the school:

- The income and expenditure statements of the school show a deficit of Rs. 316977 in 2019-20 and Rs.186380.
- The deficit shown by the school is due less income through school fee in audit report under head Fee and Funds as 1648650. When calculated manually in terms of Roll and actual fee charged by the school, the amount comes out to be Rs. 2380850 (A.F+ T.F), thus showing a variation of Rs.732,200. If added, the school will be in surplus.
- The less income shown prima facie reflects that the figures have been manipulated to arrive at a deficit as no fee amount is reflected anywhere in balance sheet as fee receivable.
- Similarly the school is charging annual fee at higher rates after making exorbitant hike as indicated above but a meagre amount is spent on educational and other facilities as reflected in Expenditure statement.
- In 2021, shows payment of rent @ 240000/- but no supportive document like rent deed is provided.
- Salary paid to staff shown in financial statement is 872975/- (Avg. 4849) but on actual calculation based on salary statement, the salary paid is Rs.428400/- (Avg. 2380)

- The school has already made enhancement in its tuition fee @ 50 in one class and Rs. 100 in other classes in one go. The same to be continued for three years keeping in view the expenditure made by the school against tuition fee received.
- Similarly School is charging annual fee under various heads but no expenditure related to such heads is reflected in financial statements. Such heads are excluded till a proper justification is made. The heads include; MB Fund, Cultural Activity fund, Science fund in case of lower classes, Electricity fund (being component of Tuition Fee).

On due consideration of the material produced by the School management, the financial aspects, observations reflected supra and after considering all relevant factors which govern the subject, the Committee finds it just and proper fix and regulate the fee structure of the school as under;

The School management is directed not to charge any fee from the students other than the fee approved by the Committee.

The School management is further directed not to make any future enhancement in fee structure under any head without permission of the Committee or charge any fee under any head created after issuance of this order without seeking prior approval from the Committee.

The School management is directed to improve facilities and quality of education as little amount is utilized for this purpose as is evident from income and expenditure statements.

Non-compliance will attract penal action under Law.

(The school management shall display this approved fee structure on the school notice Board and upload the same on school website. The management shall also publish the approved fee structure in a leading daily news paper.)
