Committee for Fixation & Regulation of Fee of Private Schools,
J&K (FFRC)**

Order No:- 139 FFRC (FF) of 2023

Dated: 14 / 08 / 2023

**Sub: Fixation and Regulation of fee of Sanguine Institute of Education Punzwa,
Kupwara.**

Sanguine Institute of Education Punzwa, Kupwara submitted file for fixation and regulation of fee structure of the School which has been registered in FFRC office under No. **FFRC/FF/2022/Kup/979**.

The fee structure of the school is regulated by this committee for the first time by this order.

In the backdrop of contradictory observation cited above, it is presumed that the school is not charging and collecting annual fee from the students.

In this backdrop the school management was asked to explain its position and present relevant record. During scrutiny of school record it came to fore that the school management was charging less fee than that was shown in record. The school management accepted the fault as error after which the file was processed for fixation of fee in light of the explanation submitted by the school management.

However, the annual fee is now regulated and fixed by this order in accordance with expenditure on relevant heads.

The record produced and the justification given by the School Management for fixation and regulation of fee structure of the School was examined. The same was considered in accordance with norms set out in various judgments and prescribed by Statute and Statutory Rules notified vide **S.O. 233 dated 10.05.2022**. On due consideration of the entire conspectus of the school record and acknowledged parameters and settled norms for regulating the fee structure of the School, material produced by the School Management, receipts-payments, income and expenditure of the School and after considering all other relevant factors which govern the subject, including infrastructural facilities and quality of education provided by the school, the Committee finds it just and proper to regulate the fee structure of the School as under:
