The school had submitted its file for regulating its fee structure in session 2020-21. The following fee structure was fixed by the committee.

It is pertinent to mention that taking queue from order No. 01 FFC of 2019 dated 28.01.2019, the school raised its fee for the session 2019-20. As per the aforementioned order school which was charging, Tuition fee less than Rs. 1000/- and annual fee upto Rs. 6000/- was given an option to raise its fee structure on its own. As a consequence of which the school re-fixed its fee for the session 2019-20 by taking benefit of the order No. 01 FFC of 2019. Accordingly the following fee structure was fixed by the school in 2019-20 & 2020-21. The details of which are as under:-

Session-2019-20 & 2020-21

Fee Head	1 st	2 nd	3 rd	4 th	5 th
Tuition Fee	950	950	950	950	950
Annual Fee	6000	6000	6000	6000	6000
Fee Head	6 th	7 th	8 th	9 th	10 th
Tuition Fee	980	980	980	1200	1200
Annual Fee	6000	6000	6000	6000	6000

The committee while regulating the fee of the school for the session 2021-22, 2022-23, 2023-24 reduced the fee structure of the school i.e both tuition fee as well as annual fee. Even though the tuition fee was marginally reduced but the annual fee was reduced substantially. Feeling aggrieved the school submitted an application seeking review/modification of the order no. 45-FFRC (FF) of 2021 dated 05.04.2021. This committee vide No. 45 FFRC of 2021 dated 18.02.2021 directed the school management not to raise the fee in view of Covid-19. As a result of which the school has maintained the same fee structure for the three session's i.e 2019-20, 2020-21 and 2021-22.

The main contention raised in the review application is that this committee has reduced the fee without assigning any reasons. It is trite that school management has a right to fix its fee after taking into consideration the needs of the school. The role of the committee is to regulate the fee structure or to provide its own fee structure. This exercise undertaken by the committee is based on three important things i.e.

- (a) Revenue generated by the school.
- (b) Expenditure incurred by the school in providing service to the students as well as developing other facilities necessary for the benefits of the students.
- (c) Maximum upto 15% of surplus to be made available to school for effecting development of the school.

The committee while regulating the fee structure for the session 2021-22 of the school has reduced Tuition fee ranging from Rs. 950/- Rs. 1200/- to Rs. 520/- Rs. 810/- from class 1st to 10th as mentioned above. The committee has reduced Annual Fee from Rs. 6000/- and fixed the annual fee Rs. 4000/- to Rs. 4500/- from 1st to 10th for session 2021-22. The Consequences of this resulted that both Tuition Fee and Annual Fee has been drastically reduced. There are no reasons given by this committee while reducing the Fee structure of the school, even while regulating the fee structure the committee has not **considered factors for determination of Fee as per Sub- Section (1) of section 20D of the Act** and also taken into account the revenue and expenditure of the school, which as per the calculation based upon the fee fixed by the committee resulted in the deficit of Rs. 45 lacs (approx.). It is trite that while fixing the fee of the any school revenue and expenditure is important factor for fixing and regulating the fee structure. If the School is running into deficit then the fee has to be raised. It is kept in mind that these are self financed intuition their fee structure has to be regulated in a manner that they must generate reasonable surplus maximum upto to 15%.

It is important to mention that the school expenditure on account of enhancement of salaries of the staff (Teaching and Non- Teaching) was raised by 5% to 10% annually. The school is paying more than 80% to 90% of its tuition fee to the staff salaries i.e (Teaching and Non- Teaching).

It appears that while considering their case for regularization of fee for the sessions 2021-22, 2022-23, 2023-24, the hike in the Fee Structure by the school based on order no. 01 FFC of 2019 was not taken into consideration. It appears that the fee had been hiked substantially during this period as a result of which committee scaled down the same while fixing the fee for sessions 2021-22, 2022-23, 2023-24. This approach was not correct because school was given an option to raise its fee by order no. 01 FFC of 2019. Therefore, we are inclined to take into consideration the fee structure of 2019-20. It is true that the statue and rules of the Jammu and Kashmir (UT) do not provide percentage of fee which is required to be raised annually. However, in other states the statue provide raising of the fee by fixed percentage as also the inflation rate prevalent in the year. As a matter of principle the fee has to be raised annually depending upon the audit report indicating the revenue and expenditure of the school. On overall consideration of the facts we are inclined to take into consideration the fee structure of the school as fixed in 2019-20, in re-fixing it is fee structure for future session. The hike will be affected while keeping the fee structure of 2019-20 as a base line. The following fee structure for the session 2023-24 is fixed as under:-

Fee Head	1 st	2 nd	3 rd	4 th	5 th
Tuition Fee	1050	1050	1050	1050	1050
Annual Fee	8000	8000	8000	8000	8000
Fee Head	6 th	7 th	8 th	9 th	10 th
Tuition Fee	1080	1080	1080	1300	1300
Annual Fee	8000	8000	8000	8000	8000

(The Fee structure shall have prospective effect)
