This committee had vide its order No 29 FFRC(FF) of 2021, dated:31/03/2021 fixed the Fee Structure of the school for the session 2021-22, the details of which are given as under:

Feeling aggrieved against above order a Writ Petition was filed in the Hon'ble High Court. **The Hon'ble High Court while entertaining the Writ Petition had stayed the order of the Committee. The School Management filed an application before the Hon'ble High Court with liberty to file fresh petition. The prayer was allowed and Writ Petition was withdrawn with liberty as prayed.**

After having withdrawn the petition they approached this forum for modification/review of above order. It is under these circumstances that

the present application filed by the School Management was taken into consideration by the Committee.

We have perused the earlier order of the Committee which was subject matter of challenge before the High Court.

The School Management has filed the requisite documents required to be perused by this committee.

It is important to mention that after the Committees' order was kept in abeyance the School Management has been charging fee fixed in 2019-20. As on today they continue to charge the same fee in light of the order passed by the High Court. In order to appreciate the controversy following facts are to be taken into consideration:

- a. The Fee Structure of the school which was prevalent for the session 2018-19 is as per the details provided here below.
- b. During the interregnum an order was issued by the committee which is order No 01 FFC of 2019 dated 28-01-2019 which gave liberty to the schools to fix the fee on their own, where the Tuition Fee was below Rs 1000 and Annual Fee upto Rs 6000/-.
- c. The schools whose Tuition Fee was above Rs 1000/- with annual fee above Rs 6000 were given liberty to raise their fee by 6%. In that eventuality they were required to seek the approval of the Committee.
- d. Taking cue from this order the School Management with Tuition Fee of Rs 1000 and Annual Fee below Rs 6000 raised the fee structure in session 2019-20 based on the order No 01 FFC of 2019 Dated:28/01/2019. The detail of the fee structure provided by the school management are given below:

### **Session 2019-20**

<b>Fee Head</b>	<b>Pre-Nur</b>	<b>Nur</b>	<b>LKG</b>	<b>UKG</b>	<b>1st</b>	<b>2nd</b>	<b>3rd</b>	<b>4th</b>

<b>Annual Fee</b>	X	1800	1800	1800	2000	2000	2000	2500
<b>Fee Head</b>	<b>5th</b>	<b>6th</b>	<b>7th</b>	<b>8th</b>	<b>9th</b>	<b>10th</b>	<b>11th</b>	<b>12th</b>

The School submitted its file in the year 2021 for fixation of fee by the Committee.

In view of the COVID the fee could not have been raised as the government has put a moratorium on it. The matter was finally considered for the session 2021-22. The Committee as per its order NO: 29 FFRC (FF) of 2021, dated: 31/03/2021 has fixed the fee of the school details of which are mentioned in the beginning of this order.

After perusing the orders it appears that this Committee has reduced the Fee of the school drastically by relying only on the fee being charged by the school in session 2018-19. Ignoring the hike made by the school in session 2019-20. It looks that the Committee has found that such recourse could not have been taken by the School Management. The School Management has legitimately increased the fee structure on the basis of order No : 01 FFC of 2019. Even-though the order No 01 of 2019 has been subsequently revoked but it will not impinge upon the rights of the school to hike the fee as order was revoked in the year 2021. The School has legitimately enhanced its fee structure while relying on Order No 01 of 2019. Therefore the fee had to be fixed after taking into consideration the fee been charged/collected by the school management in 2019-20.

The Committee as such is of considered view that modification/review is required to be done in this case. Even-though fee raised by the school is not a gradual increase but it is on the higher side. Be that as it may discretion was given to the schools to raise their fee where the fee was below 1000 and Annual Fee below Rs 6000. The order No 29 FFRC (FF) of 2021, dated: 31/03/2021 fixing the fee of the school in 2021-22 does not indicate the reasons why fee was reduced. After considering the documents and audit report following fee structure is provided for the session 2023-24, details are given below:

### Session 2023-24

Fee Head	Pre-Nur	Nur	LKG	UKG	1st	2nd	3rd	4th
Tuition Fee	X	580	580	580	640	640	640	690
Annual Fee	X	1910	1910	1910	2120	2120	2120	2650
Fee Head	5th	6th	7th	8th	9th	10th	11th	12th
Tuition Fee	690	740	740	740	850	850	1170	1170
Annual Fee	2650	3180	3180	3180	3710	3710	4200	4200

While fixing the fee structure for the session 2023-24 the School Management has charged annual fee on the higher side. After looking into the details submitted by the school management on the basis of which the fee was charged, we find that stationary charges and school improvement fund is shown on the higher side which requires to be regulated. This reduction in Annual Fee will apply only to few classes details of which are given herein below. It is important to mention that while charging fee under various heads, the amount charged must commensurate with the actual expenditures incurred on the facilities provided thereof. The various categories of fee charged such as school improvement fund cannot be permitted. It has to be uniformly provided for all classes.
