

**Office of the Chairperson
Committee for Fixation & Regulation of Fee of Private
Schools, J&K (FFRC)**

Subject : Complaint against British School Nowgam Srinagar.

1. Mr. M. S. Hussain Chairman British School (Respondent)... .. Present
2. Ab Rouf Baba(Complainant).....Present

ORDER

Both parties are present. The complainant's grievance is that the School is charging fees without authenticating its fee structure from the committee. In the year 2023, the FFRC directed the school to submit file for regulating its fee structure, which the school has failed to do till date.

In the absence of any direction from the Committee, the school cannot increase its fees. The management has admitted that they will submit the required file by April 15, 2024. Until then, the school is directed to maintain the fee structure as it was charging until March 2024, with no additional charges. The school is also prohibited from increasing its transport fees, as this matter will be addressed separately by the committee.

Any new fee structure will only be determined after the school submits the necessary documents to the committee, and parents will be required to pay fees accordingly. With these directions, the complaint is disposed off at this stage.
