**ORDER**

As directed vide notice: FFRC/Comp/2024/Sgr/3990, Dated: 02/04/2024, both the parties were present. The complainant, namely Sana, stated that she was informed by school management that her daughter has been selected for admission in nursery class, but the admission was withheld due to non-payment of Rs 85000 as Admission Fee demanded by the school. As a result of which she could not get the admission of her child in the school. She stated that she was made to run from pillar to post on one or the other pretext by the School Management. The school management acknowledged that there was a misunderstanding and confusion. However, they did not specifically deny that no Admission Fee was demanded from the parent. It is very clear that the Admission of the complainants' daughter was withheld on a/o non- payment of Rs 85000, which is admission fee.

Be that as it may, It was made clear to the school authorities that Admission Fee collected from all the fresh students shall be refunded by the school management. The School Management is directed to submit a compliance report in this behalf within a period of one month.
