After Consideration of the details indicating the existing revenue & expenditure statement of the School, the fee structure proposed has been worked out & approved by the Committee. This exercise has been undertaken after taking due consideration of the factors for determination of the fee by the committee in terms of Rule-7.

1) The location of Private school (Rural area, Town Panchayat, Municipality, District Headquarters, Corporation:

2) The availability of infrastructure;

3) The expenditure on administration and maintenance;

4) *The reasonable surplus required for the growth and development of the private school;*

5) *Performance of the Private School;*

6) *Grant-in aid received by the Private school;*

7) *Availability of modern technology;*

Reasonable surplus is permissible for the development of various activities in the school for the benefit of students. Reasonable surplus is to be given which would vary up to 15% under Income Tax guidelines. For utilization of expansion of system & development of Education, one of the factors also required to be taken in consideration is the investment made by the institution for establishing the School as per judgment of the Hon'ble Supreme Court in Islamic academic case. Periodical increase in the salary of the teachers is one of the essential elements which the school is required to provide to the staff. This factor is also to be considered while determination of the Fee. The Fee of the School has been determined after consideration of these factors by laying more emphasizes on
