Notice

It has come to the notice of the Committee that schools are charging late fees arbitrarily. In this regard, the Committee had already issued a circular in 2023 stating that no late fee shall be charged for a period of three months from the date it becomes due.

It is hereby reiterated and directed that no school shall charge late fee from students if they fail to pay their monthly fee by the 15th of the following month. In case a student does not pay the fee even after the expiry of three months, he/she shall pay ₹30/- per month as a late fee from the date the fee became due. It is reiterated that parents must deposit the fees on the date it is due to avoid inconvenience to the schools.
