Notice

A complaint has been received from the Chief Education Officer, Srinagar, dated 15-12-2025. It is stated in the communication that the school has charged admission fees from the students and is running Higher Secondary Classes without any authorization. The Chief Education Officer, Srinagar, had constituted a committee which has sent its recommendations, stating that the allegations leveled against the school cannot be ruled out, even though the school authorities have tried to defend the allegations.

It is to inform you that the fee of your school has been fixed up to the 10th class. There is also a direction regarding the Rs. 600/- being charged on account of smart classes provided by the school. A direction has also been issued to refund the same to those who have left the school and adjust it for those students still studying which you have not complied. It has also been informed that the school had approached the High Court against this order. Hon'ble High Court, in its order, has directed the Committee to consider the review application filed by the school management. However, no interim direction has been passed by the Hon'ble High Court. Therefore, you are directed to comply with the order of the Committee, whereby the amount is to be refunded and adjusted with the students. In case you succeed in your review application, the direction may be modified.

In view of the above, you are directed to inform whether you are running Higher Secondary Classes without any authorization. You are also directed to reply to the allegations that admission fees are being charged by you. This reply must be sent to this Committee within a period of 07 days from the receipt of this order, failing which it will be presumed that you have nothing to say in the matter.
