

Government of Jammu & Kashmir (U.T)  
**Committee for Fixation and Regulation of  
Fee of Private Schools, J&K (FFRC)**

**NOTICE**

**Subject: Final Notice for Submission of Fee Regulation Files – Non-Compliance- Warning.**

It has been observed with serious concern that despite previous communications, 660 Private Schools (as per the appended list-Annexure A) of Kashmir Division have persistently failed to submit the requisite files and documentation for the regulation and determination of their fee structures.

*Section 20-C(3) of the J&K School Education Act, 2002: Empowers this Committee to restrain any private school from collecting fees from students until formal approval is granted.*

*Rule 8(2) of the J&K Private Schools Rules, 2022: Mandates that no private school shall revise or collect any fee without the prior approval of the Committee.*

The continued failure to submit these documents constitutes a willful violation of statutory provisions and is viewed as an attempt to bypass the regulatory oversight intended to curb the commercialization of education.

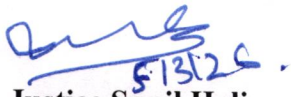

The managements of these defaulting schools are hereby given a final window of 15 days from the issuance of this notice to submit their complete fee regulation files to the FFRC office.

Failure to comply within this 15-day period will result in an immediate restraint on the collection of any type of fee (Tuition, Annual, Transport, etc.) until further orders.

Parents and guardians of students enrolled in these 660 schools are advised to verify the status of the school's fee approval before making any payments after the 15-day deadline.

Failure to adhere to this timeline shall invite stern punitive action under the law, which may include:

***Suspension of Recognition of the institution. Imposition of Fines as prescribed under Section 20-G of the Act (ranging from ₹50,000 to ₹1,00,000 for repeated offenses).***
